THANK YOU

THANK YOU FOR LICENSING YOUR PET

A King County pet license includes many benefits.

- The Vacation Pet Alert program allows you to provide the pet licensing office with your pet caretaker contact information when you are away, so that the correct person can be contacted if the pet is found away from home. Register by calling 206-296-2712.
- If your pet is lost, visit the King County Animal Shelter in Kent and your closest local shelter, and call the pet information line to report a missing pet (206-296-7387). If you find a pet, call the number on the pet license tag (206-296-2712)--24 hours a day, seven days a week--to get the phone number for the owner.
- The first time your pet is found, King County staff will attempt to deliver your pet to your home immediately, skipping a trip to the animal shelter.
- If your licensed pet is found away from home, it will be safely taken care of for a longer time, while continued attempts are made to reunite you with your pet.
- If the time comes and you believe your pet should be humanely euthanized, you can surrender your pet at the King County Animal Shelter in Kent.

Regional Animal Services of King County accepts donations to the Animal Benefit Bequest Fund to help animals in our care. For more information or to make a donation online, visit www.kingcounty.gov/pets, or call (206) 296-2712.
