

**Council Workshop 01/11/2011 – Discussion Item 2**  
**Summary of the comments received at the Council Neighborhood Meetings held in October & November 2010**

Collaborate with developers and business people	X					
Don't like Napa Building	X					
Allow businesses to do what they need to do (Outside sidewalk seating)	X					
Asked what happened with the branding effort.					X	
Proposed making family outdoor activities a part of Carnation branding. Suggested a triathlon: run to Remlingers pick strawberries, bike to ...					X	
Can the city get a Land Trust for Harvold property? If development occurs at Harvold's property can the housing designs be consistent with the west side of town designs of houses?			X			
Does the city plan to annex the area north of the current city limits? The concern was we need to build the existing city center before growing outward.					X	
Need to decide whether to grow the city or dissolve it.					X	X
If growth is the path, the city must become business friendly.					X	X
Parking is limited and will become a big problem if the city does grow.						X
Can the city work with the county or state for better transit and parking?						X
Citizen stated that it seems like the city is contracting, not growing.					X	
Want stores along Tolt to have awnings to make that area more pedestrian friendly, especially during inclement weather. Want a cohesive look.					X	
Can the owner of the property next to the Tattoo Parlor on Tolt Ave. be made to clean it up and keep it neat?		X				
We need more hanging baskets in town.			X			
<b>Police &amp; Public Safety:</b>						
Drugs	X					
Drugs around apartments west of Regal Glen.					X	
Drugs on Stossel and at Fred Hockert Park		X				
Drugs on Morrison		X				
Speed limit	X					

#1 Rivers Edge                      October 28, 2010  
#2 East of Tolt/North of Entwistle    November 8, 2010  
#3 West of Tolt/North of Entwistle    November 10, 2010

#4 Brumbaugh/Carnation Meadows    November 10, 2010  
#5 Regal Glen & South and West        November 18, 2010  
#6 Swiftwater Area                        November 30, 2010

**Council Workshop 01/11/2011 – Discussion Item 2**  
**Summary of the comments received at the Council Neighborhood Meetings held in October & November 2010**

<b>Streets &amp; Sidewalks:</b>						
Don't curb and sidewalk any more streets, take Morrison off the list to develop.			X			
Maintain what we have and fix the streets instead of developing sidewalks and curbs.			X			
Sidewalks and marked no parking areas on Entwistle & Stossel		X				
Add sidewalks for kids walking to school.		X				
Can citizens fill the pot holes and get reimbursed? With our without city awareness.						
Need to repair the roads and get a real road maintenance program. "Lip service doesn't fix roads, asphalt does".						X
State needs to fix 203						X
Concerns regarding street designations in Regal Glen, street vs. avenue, etc. Some change in mid-block and causes confusion. Any 911 concerns? What is on the plat? They want consistency in the street naming designation.					X	
Kids throwing trash over fences on Stossel					X	
Stossel street lights – is there some method to dim them if there is no traffic or pedestrian activity? Stated that the drug dealers seem to like the bright lights and would like a night sky ordinance.					X	
Street lights on Stossel should be extended north of Entwistle to Commercial.		X				
Spilman is very dangerous as a route to school, the most convenient route for Regal Glen.					X	
Spilman Ave. needs potholes fixed		X				
Full size school buses are too big to be driving down Spilman. Street not wide enough for buses and buses tearing up road.		X				
Street lights on Milwaukee		X				
Bagwell alley is blocked – Why?			X			
<b>Parks &amp; Recreation:</b>						
Maps of paths to take	X

**Council Workshop 01/11/2011 – Discussion Item 2**  
**Summary of the comments received at the Council Neighborhood Meetings held in October & November 2010**

Make bike routes	X					
No safe passage to any trails. River trail is blocked.	X					
Will trees in Loutsis Park ever be thinned?					X	
<b>Residential Property Maintenance &amp; Nuisance Abatement:</b>						
Commercial and Entwistle house on the corner – junk yard		X				
Homeowners not keeping yards neat and orderly.		X				
Trailers are abandoned on Morrison by where the school is developing the new building.		X				
Unkempt properties – tarps on roofs, high weeds in yard, mice, bank owned properties not properly being kept up,			X			
Can we develop a list of people who need help maintaining their property?			X			
Get volunteers to offer assistance?			X			
Can the city manage a list of volunteers willing to help homeowners maintain their property?			X			
<b>Miscellaneous:</b>						
Lighting at library lights up too much of the area. Can something be done to lesson the ambient lights the library gives out?			X			
People not picking up after their dogs.					X	
Tolt Hill clear cut activity – what is going on?			X			
What about protecting the wildlife such as the beaver dam on Tolt Hill? What did the city do to make sure the beavers were not hurt?			X			
Local activities taking place – before they happen	X					
More community information	X
