

# CARNATION CITY COUNCIL PUBLIC HEARING

**Subject:** Six-Year Transportation Improvement Program (STIP)  
2013-2018.

**Origin:** Council of the Whole

**Date Submitted:** 04/10/2012

**Agenda Date:** 05/01/2012

---

The Six-Year Transportation Improvement Program (STIP) is an annual process for local jurisdictions to identify their potential future transportation improvement needs. RCW 35.77.010 & RCW 36.81.121 require that the City update their program annually and file a copy of the adopted program with the Washington State Department of Transportation before July 1<sup>st</sup>. State Law also requires each City to hold a public hearing to receive citizen input concerning which potential street improvement should be included in that listing. Completion of this annual update makes the City eligible to apply for State and Federal grants for transportation project funding. The proposed STIP is not being considered for adoption at this meeting, and will be included on a future City Council agenda for adoption by Resolution.

The City Council reviewed and discussed the draft STIP on April 10<sup>th</sup>; and a SEPA DNS (Determination of Non-significance) regarding the STIP was issued on April 12<sup>th</sup>. Pursuant to Section 1.14.010 CMC, a Notice of Public Hearing before the Carnation City Council regarding the proposed Six-Year Transportation Improvement Program (STIP) 2013-2018 was published in the Snoqualmie Valley Record on April 18<sup>th</sup> and April 25<sup>th</sup>.

*The City Council Rules of Procedure adopts the following process for legislative public hearings (format below was abbreviated from Exhibit 'A' to Resolution No. 353):*

- The Mayor asks if all persons who wish to be heard at the public hearing have signed-in to speak;
- The Mayor introduces the agenda item, and opens the public hearing.
- The Mayor announces **or refers** to the Rules of Order: *(The Rules of Order have been posted at both the speakers' rostrum and by the sign-in sheet. THOSE RULES CAN BE REFERRED TO SO THAT THE RULES BELOW DO NOT NEED TO BE READ ALOUD.)*
  1. "All comments by the public shall be made from the speaker's rostrum and any individual making comments shall first give their name and address. This is required because an official record of the public hearing is being made."
  2. "No comments shall be made from any other location, and anyone making "out of

order" comments may be subject to removal from the meeting."

3. "There will be no demonstrations during or at the conclusion of anyone's presentation."
  4. "These rules are intended to promote an orderly system of holding a public hearing, to give every person an opportunity to be heard, and to ensure that no individual is embarrassed by exercising their right of free speech."
- The Mayor calls upon the City Manager or designee to describe the matter under consideration;
  - The Mayor then calls for speakers (public comment);
  - When all speakers have finished, the Mayor calls once for additional speakers;
  - The Mayor announces the following:  
"At this time I will inquire of the administration as to whether there have been any mis-statements of fact or whether the administration wishes to introduce any material as to subjects raised by the speakers or alter in any regard its initial recommendations."
  - The Mayor inquires as to whether any Councilmembers have any questions to ask the speakers or administration. If any Councilmember has questions, the appropriate individual will be recalled to the podium.
  - The Mayor closes the public hearing.
- 

- The Mayor inquires if there is a motion by the Councilmembers  
(A motion is not required for this hearing, unless there is specific formal action the City Council wishes to take).
- The Mayor inquires if there is any further discussion by the Councilmembers.
- The Mayor inquires if there are any final comments or recommendations from administration.
- **If a motion was made**, the Mayor inquires of the Councilmembers whether they are ready for the question... Call for the question and a vote is taken.
