The Owner hereby certifies that he has obtained a copy of the City of Carnation Side Sewer Standards and other pertinent information, if any, regulating the installation of the proposed side sewer, and agrees to comply fully herewith. The Owner further agrees to hold the City harmless for the work performed under the applicable permit. It shall be the responsibility of the Applicant to see that all applicable codes and ordinances are complied with and that all contractors and subcontractors are licensed to do work in the State of Washington and the City of Carnation. The above information is correct and I agree to comply with all City and State laws regulating this work.
